FINANCIAL SECRETARIAT

Passes orders on the report of the Public Accounts Committee for the year 1938-39.

READ—

Audit and Appropriation Report of the Comptroller to Government on the accounts for 1938-39.

2. Report of the Public Accounts Committee thereon.

ORDER NO. FL. 1595-1670—G. F. 211-39-8, DATED BANGALORE, THE 20TH SEPTEMBER 1940.

Recorded.

APPROPRIATION REPORT.

2. *Para 4:—Excesses over Grants.*—The excesses over grants have appeared under 12 heads. The Committee recommend that the excesses be passed, subject to certain observations in regard to the large excess of Rs. 7,39,370 under "Expenditure Chargeable to Road Fund." Government also consider that the explanation furnished by the Public Works Department for the large excess under the above head cannot be considered to be satisfactory at all. The Public Works Department could have taken timely steps to obtain sanction for the additional funds required, or in the alternative, if this was not practicable, nothing prevented the Department from taking action to get the excess expenditure regularised before the expiry of the year. The Heads of Departments are again instructed to take steps to ensure that excesses over sanctioned grants are avoided as far as possible and whenever such excesses are found to be inevitable, to obtain sanction of Government thereto at the earliest possible opportunity.

AUDIT REPORT.

3. *Para 6:—Delay in the Submission of Stock Verification Returns and Replies to Audit Objections and Inspection Notes.*—With regard to the delay brought to notice in this respect, the Committee consider that it is desirable to lay down that certificates should be sent by the officers concerned, along with their salary bills for the month following that in which the prescribed returns are due, to the effect that they have been sent on the dates fixed, and that in regard to cases where timely disposal could not be secured, a certificate of the next higher controlling officer to the effect that time had been allowed, might be appended to the certificate to accompany the salary bill.

Government agree with the Committee that some arrangement on the above lines is essential to ensure the timely submission of the prescribed periodical stock verification returns. The Comptroller is requested to submit for the consideration of Government, at a very early date, draft rules to be embodied in the Mysore Civil Account Code, to give practical effect to the substance of the above recommendation.

4. *Para 7:—Expenditure without, or in excess of, Sanctioned Estimates or Appropriation.*—In their Order No. Fl. 708-80—G. F. 288-38-13, dated 7—8th August 1939, Government have issued detailed instructions in the matter of the regulation of expenditure on works with reference to the sanctioned estimates and
